Statement of Behaviour Principles

Updated Summer Term 2024

Behaviour Principles Written Statement

This document is not policy or practice, rather it is a statement to set out St. Catherine's broad principles and values with regard to behaviour that is both expected and promoted within the school.

The mission statement of St. Catherine's underpins all aspects of the school. St. Catherine's community is rooted in the Gospel and the vision of St. Catherine of Siena. This inspires each of us 'To be who God wants us to be and so set the world on fire.'

- We are called to love one another as we seek to be the best in all that we learn and do.
- We celebrate and nurture the gifts, talents and skills of everyone.
- We commit ourselves to grow together in faith, love and service.

The behaviour principles are built on this, the school vision and core values.

The governing body is aware and approves of this statement, believing it accurately reflects the school's ethos and that effective learning and development relies on good standards of behaviour.

This is why, at St. Catherine's, we seek to uphold high standards of behaviour that are guided by the principles within this statement. Actual, practical applications of these principles are the responsibility of the Senior Leadership Team, who will view each case in light of these principles and any relevant policies.

Principles

The school's primary concern is the safety, wellbeing and education of all pupils; actions taken in cases of negative behaviour are with the intention of upholding their wellbeing and academic progress, as well as fulfilling our safeguarding responsibilities.

The school will create a calm and orderly environment to enable pupils to learn effectively.

The school prioritises inclusion and will ensure that all members of the school community are able to enjoy the activities of the school free from any discrimination. The school will create and maintain an atmosphere and ethos of acceptance, equality, diversity, respect, understanding and kindness throughout the school community in everyday practice. The school aims to foster a collective ethos

amongst all members of the school community, and promote values of caring, empathy, teamwork and coordination.

The school endeavours to ensure that all pupils, staff and visitors feel safe in the school environment at all times through a high quality of care, support and guidance.

All pupils have a right to fulfil their greatest academic and personal potential and feel they are valued members of the school community, and should be free from bullying, discrimination and distracting peer behaviour.

The school ensures that rules that reflect and are consistent with the messages taught across the curriculum are consistently applied across the school and, where sanctions are exercised, they are in line with the school's Behaviour Policy and are taken seriously. Good behaviour at school is acknowledged and rewarded at the discretion of all staff, who will judge appropriately.

The school offers comprehensive support to pupils displaying problematic behaviour, before and/or alongside disciplinary measures, taking into account pupils' home circumstances and any SEND - please see the behaviour policy.

Any kind of violence, threatening behaviour or abuse between pupils, or by members of the school community towards the school's staff, will not be tolerated. If a parent does not conduct themselves properly, the school reserves the right to ban them from the school premises and, if the parent continues to cause disturbance, they may be liable to prosecution.

Guidance on the use of physical intervention will be agreed upon by the headteacher and governing board, and is clearly set out within the school's Behaviour Policy and Physical Intervention Policy.

The school upholds clear and effective policies with clearly defined consequences for poor behaviour, that are applied consistently and fairly by all staff.

General Expectations

The school has high expectation for pupils' behaviour and conduct. These expectations are commonly understood and applied consistently and fairly. The school sets clear routines and expectations for the behaviour of pupils across all aspects of school life, not just in the classroom.

The school makes behavioural expectations and the related policies clear and accessible to members of the school community, and ensures the community agrees they are fair and reasonable. These will be made readily available to read and general expectations will be displayed in classrooms and around the school. The school's emphasis is on encouraging and praising good behaviour and supporting

individuals who are struggling to meet the expected behavioural standards. Each pupil receives the necessary behavioural support according to their specific needs.

The school creates a positive and respectful culture in which staff know and care about pupils.

The school does not tolerate offensive or insulting language in any circumstances and expects polite and considerate behaviour to be maintained by all. Bullying, discrimination, sexual harassment, sexual abuse and sexual violence are not tolerated, online or offline. The school effectively addresses harmful sexual behaviour in the Behaviour Policy, which details appropriate sanctions that are applied consistently. Pupils are encouraged to report any case of bullying they experience or observe to school staff, and wherever such behaviour occurs it will be dealt with quickly, consistently and effectively.

The school supports pupils to play a highly positive role in creating an environment in which commonalities are identified and celebrated, difference is valued and nurtured, and bullying, harassment and violence are never tolerated. All pupils are taught to actively support the wellbeing of other pupils.

All pupils are expected to behave consistently well, demonstrating high levels of self-control and consistently positive attitudes to their education.

Pupils are held to high standards of attendance. The school will take swift, appropriate and action to ensure that problems of lateness and absence are handled effectively.

Staff lead by example and model their conduct in line with the school's standards. This statement, and the policies that are influenced by it, applies to all pupils and staff inside and outside of school.

This written statement, and the policies that are influenced by it, applies to all children and staff inside and outside of school, when acting as ambassadors, when engaged in extra-curricular activities, such as educational trips and visits (residential and non-residential) and when being educated as a member of St. Catherine's R.C. Primary School.
