

Grandparents Afternoon Feedback

June 2019

On Friday 28th June, the children in Reception held an afternoon tea party for their wonderful grandparents. Each child made their own dicky bow, made menu's and took orders from their grandparents. The weather was glorious, which added to making it an afternoon to remember!

What did you like about the session?

We loved seeing all the happy children.

It was perfect.

Seeing the children enjoy it and interact with the adults on a glorious summers day!

It was lovely to see the children helping and very important that we could remember grandparents who have died.

The waiters and waitresses were outstanding!

It was great the way the children did everything and got so much out of looking after us for a change!

We were very well looked after by all the children.

We love this school and what all of the staff do for the children!

What a lovely surprise! Thank you so much!

The children were so enthusiastic!

There was a great community spirit!

What could we do to improve?

Have them more often!
