- "Being shown around by my grandchild."
- "Knowing what we could do to improve work with our granddaughter at home."
- "Seeing my grandson's enthusiasm to show me around."
- "Talking to the other children."
- "Seeing that there was a happy atmosphere and that my granddaughter was well cared for."

Thank you to all our Grandparents for making the afternoon. You certainly seemed to enjoy it and would like to see more of the same sessions in the future, more specifically, looking at some examples of their work and watching some taught sessions.
