

Nursery Come and Play May 2019

What did you like about the session?

*It was lovely to see how nicely the children interact together  
Loved seeing my child's work in her red book  
Updates on what the children have been learning about  
Great to see the learning environment  
Meeting other relatives and being shown around  
Very inclusive and relaxed. Loved the mark making book!*

It would have been better if...

*You could give a quick overview of what they have been learning about*

What do you think we are doing well?

*The children have learnt the routine so well and have grown up so much over the course of the year  
It was very well organised and run very well  
My child actually asks to come to school and has learnt so much. He speaks about his teachers all the time  
Introducing sounds  
Outside play is fantastic and the toys are excellent  
Fantastic topics which capture the children's imaginations  
It's clear there is a lovely atmosphere for the children to play and learn in  
Lots of creative, varied work*

What do you think we could do to improve?

*A smartboard for Miss Triin*

Any further comments...

*Can we have information on Reception start dates?*
