

Think of 7 words instead of 'said',
and use them in 5 different
sentences involving speech.

e.g.

"I don't want to get out of bed,"
grumbled Ben.

Don't forget to use your speech marks and punctuation
correctly - use the above example to help you!

Write down 5 words to describe each picture.
Then choose your favourite word for each picture and put it in an interesting sentence to describe the animal.

Bear

Whale

Spider

Choose one of your favourite book characters
and write:

One sentence to describe what they look like.

One sentence to describe how they move.

One sentence to describe their personality.

One sentence to describe their hobbies.

One sentence to describe something else that
you think is important about your chosen
character e.g. their family, how they walk, their
favourite game.

Choose a suitable connective to fill the missing gaps.

I brush my teeth _____ I go to bed.

Rachel has lots of friends _____ she is very nice.

I will go to play football _____ it stops raining.

I only go outside _____ its sunny.

Choose one of your favourite film or TV characters and write seven detailed sentences to describe them.

Think about what they look like, their favourite things, what they do, what their personalities are like.

Connect the following sentences using your own choice of connective. Write the whole sentence.

For example:

I was tired. I went to bed.

I was tired **so** I went to bed.

I went to the shop to buy some sweets. I didn't have any money.

I went to the park. I found my dog.

It was so cold. My fingers were numb.

Now create three of your own sentences with connectives in them.

Write the sentence with the appropriate connective.

I like eating sweets ____ I like playing football.

I enjoy football practice ____ I hate rugby.

The teacher caught me pulling faces ____ she turned around.

We stayed in the park _____ my mum came to get us.

Until

but

and

as

Now write another four of your own sentences, one for each for the connectives above (until, but, and, as)

Think of 5 words to describe each of the following animals. Then choose one of the words for each animal and write a detailed sentence to describe them (using your chosen word).

Giraffe

Mouse

Snake

Match the connectives to the correct sentence
and write the full sentence down.

It was so cold _____ my fingers were numb.

I didn't buy anything from the shop _____ there were
lots of nice clothes.

I read a story _____ I finished by bedtime drink.

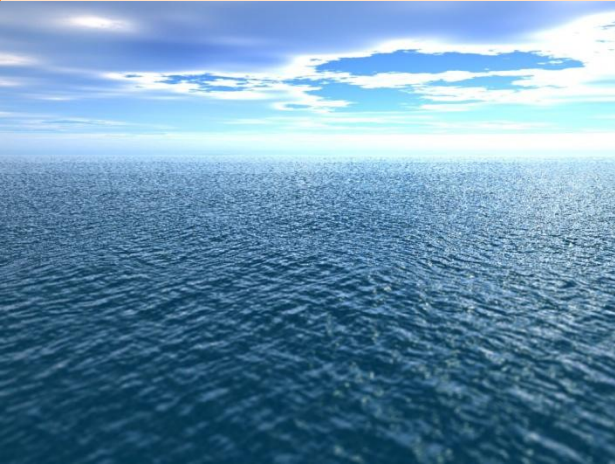

after

even though

that

Now write three of your own sentences, one for each
for the connectives above (after, even though, that)

Think of 5 words to describe each of the following pictures. Then choose one of the words for each animal and write a detailed sentence to describe them (using your chosen word).

Diamond ring

An Ocean

An empty football stadium

Alliteration is when the first letter of a word is repeated.

e.g the slimy, slippery snake

Can you create an alliteration sentences to describe a...

Bear

Giraffe

Shark

Tree

Flower

Worm

Think of 5 words to describe each of the following pictures. Then choose one of the words for each animal and write a detailed sentence to describe them (using your chosen word).

Glass tower in New York

Meadow of daisies

Green forest

How many different words can you think of
instead of **said**?

Write down at least 8 words you can think of
instead of said.

Choose your three favourite words and put
them into sentences.

Example:
"I'm so cold!" shouted Billy.

Which of the following words are spelt incorrectly? (Clue: there are 4 words spelt incorrectly!)

Challenge

Amazing

Classroom

Excelent

Fantastic

Brillant

Friends
